Gulshan Sharma

Full Stack Developer

Hey there, I'm Gulshan, a self-taught Full Stack Developer specializing in C#, ASP.NET, and MERN stack. I bring a diverse skill set that includes C#, PHP, Java, HTML, CSS, and JavaScript, along with experience in frameworks like Laravel and .NET Core. A passionate learner, I thrive on tackling new challenges and delivering scalable, high-performing solutions.

Technical Skills

o **Programming Languages:**

  C# | JAVA | JAVASCRIPT | PHP

o **Frameworks & Tools:**

  ASP.NET | .NET Core | Entity Framework | ReactJS | NodeJS | ExpressJS | MongoDB | SQL Server | Tailwind CSS | Bootstrap | JWT Firebase | Git | Docker

· **Cloud Services/Infrastructure:** AWS (Amazon Web Services) (EC-2 , Lambda)

· **Containerization/DevOps:** Docker

Soft Skills

Analytical | Collaborator | Adaptable | Leader

Core Competencies

Software Development Life Cycle

Debugging & Troubleshooting

Containerization

Web Services & APIs

Performance Optimization

System Scalability

Academic Details

o **Bachelor of Technology (B.Tech) Computer Science Engineering**
  GALGOTIAS UNIVERSITY (G.NOIDA)
  CGPA: 7.46
  (2020-2024)

Portfolio:- https://gulshansharma11.github.io/Final-Portfolio-2/

Work Experience

Associate Software Developer	
VAS VENTURES Noida (U.P)	**- July 2024 - Present**

Responsibilities:
- Developed and maintained **responsive web applications** using **PHP Laravel** and **C# with ASP.NET** for dynamic functionality..
- Integrated **RESTful APIs** for seamless communication between the website and mobile apps.
- Implemented features like **chat**, **call**, **Kundli generation**, and **numerology reports**.
- Conducted **manual testing** to ensure functionality, usability, and performance.

Achievements:
- Optimized API performance, reducing response time by **30%**.
- Successfully integrated the website with mobile apps for a unified user experience.
- Delivered a high-performing astrologer platform, exceeding client expectations.
- Enhanced product quality by resolving issues during **manual testing**, improving efficiency
